NATIVE STREAMING™

MA.1 STREAMING AMPLIFIER

Experience incredible sound with the VSSL MA.1, a sleek, single-zone streaming amplifier delivering up to 125W per channel at 8Ω or 200W at 4Ω. Packed with the latest tech, including HDMI eARC, Wi-Fi 5, and Bluetooth LE Audio with Auracast, the MA.1 offers crystal-clear, high-resolution audio and over 50% better performance and 3x more power output over the previous generation.

Designed with simplicity in mind, the MA.1 combines easy setup and intuitive operation with fast responsiveness. It integrates tightly with top streaming platforms like Apple Music, Spotify, YouTube Music, and more, allowing users to stream what they love with minimal effort.

The MS.1 features full driver support for leading control systems, including Control4, Crestron, Elan, RTI, and URC, making it ideal for professional installations.

As part of the VSSL ecosystem, the MA.1 connects effortlessly with other VSSL devices through the VSSL CNCT™ app, creating a unified whole-home audio experience.

The VSSL MA.1 isn't just a new product—it's the beginning of a new era of distributed audio with the MX Series.
